

ORDER OF THE ARROW ADVISER TRAINING CONFERENCE 2012

June 17-23, 2012 | Philmont Training Center | Cimarron, New Mexico

Hello Brothers!

The Philmont Order of the Arrow Adviser Conference for 2012 is open to all registered adult members of the Order, including professional Scouters. Not only will the conference be fresh, informative and problem solving at all levels, but you also get to enjoy the Philmont Scout Ranch and all that it offers.

The relaxed schedule of the Philmont Training Center (PTC) will allow families to see why Philmont is referred to as "Scouting's Paradise." Take a few minutes and visit www.philmonttrainingcenter.org and share with your family all the activities that are available including hiking, touring the local area and the variety of programs at the PTC. Other opportunities include the Buffalo Barbeque on the Greensward, a Western Night (dances and games), shopping in Cimarron and nearby towns; the list goes on and on.

The other really great part of Philmont Training Center is the opportunity to meet and share with others from around the country the love we all share for the Order of the Arrow. During the Order of the Arrow Adviser Conference, you will have an opportunity to discuss and provide ideas to address issues currently before the national Order of the Arrow committee, hear from our top leadership and discuss those things that will help you as an active OA member in your council.

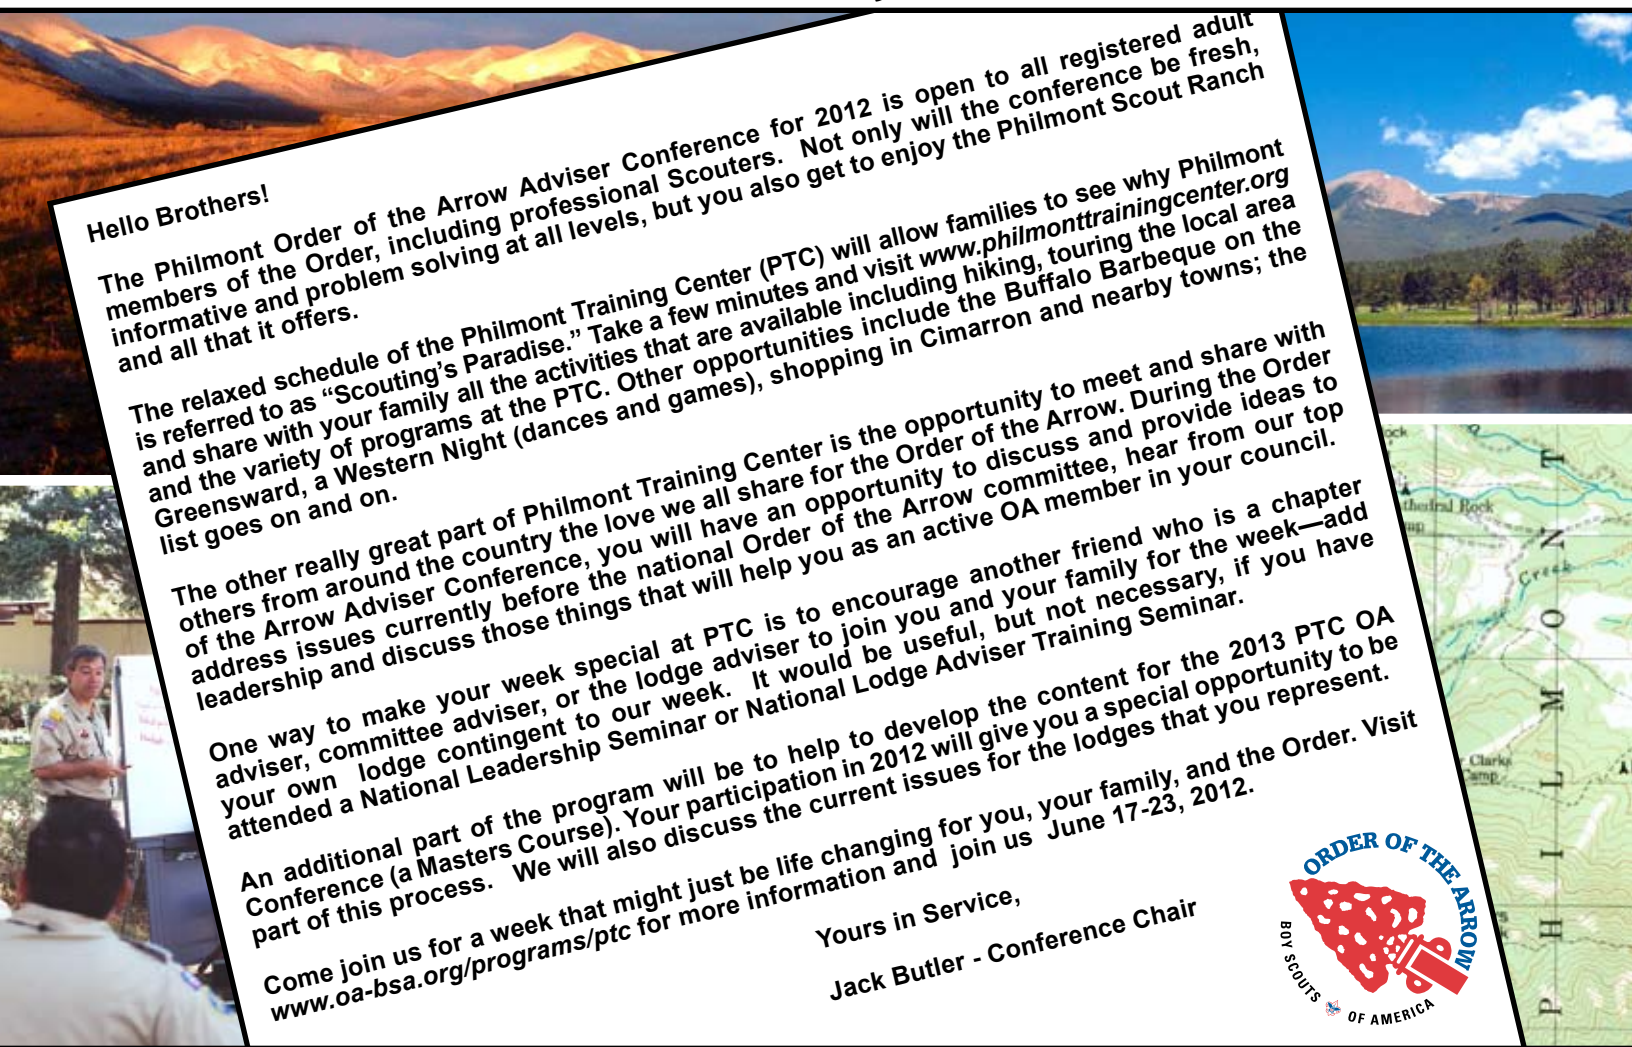

One way to make your week special at PTC is to encourage another friend who is a chapter adviser, committee adviser, or the lodge adviser to join you and your family for the week—add your own lodge contingent to our week. It would be useful, but not necessary, if you have attended a National Leadership Seminar or National Lodge Adviser Training Seminar.

An additional part of the program will be to help to develop the content for the 2013 PTC OA Conference (a Masters Course). Your participation in 2012 will give you a special opportunity to be part of this process. We will also discuss the current issues for the lodges that you represent.

Come join us for a week that might just be life changing for you, your family, and the Order. Visit www.aa-bsa.org/programs/ptc for more information and join us June 17-23, 2012.

Yours in Service,

Jack Butler - Conference Chair
